

MICHIGAN STATE UNIVERSITY

Vision

Michigan State University will be a recognized leader in admissions for our unwavering commitment to exceeding our constituents' expectations for meeting institutional enrollment, providing excellent service, and supporting student success goals.

OA Mission

The Office of Admissions at Michigan State University establishes access to educational opportunities by identifying, recruiting, admitting, and matriculating a talented and diverse student community with potential to grow and impact their world.

Guiding Principles

Our guiding principles stand at the core of everything we do and plan to accomplish. Values create the image of who we want to be. Accountability is the bridge we cross to turn values into culture.

Teamwork

We work collaboratively and respectfully with our students, colleagues, and campus partners. We work to support each other and allow ourselves to be supported.

Integrity

Trust, authenticity, and commitment to MSU's mission are at the core of the work we do.

Impact

Every Spartan has an opportunity to change the world and our roles impact their access to that opportunity. We make a difference so that our students can.

Access

Every student deserves access to high-quality educational opportunities. We design processes and strategies that seek to expand those opportunities for all learners.

Diversity, Equity, Inclusion & Belonging

Inclusivity is key to impactful education. We seek to fulfill our commitment to DEI&B by creating safe and welcoming spaces, interactions, and processes.
